LICENSING REQUIREMENTS AND QUALIFYING EXAMINATIONS

1. The Licensing Regime

- 1.1 Since 1 January 1999, anyone carrying on estate agency work in Hong Kong must hold a valid licence, namely:
- (a) an estate agent's licence (individual) – the holder may perform estate agency work in the capacity of a sole proprietor or a partner of, or a director of a company engaging in an estate agency business, or a salesperson of another licensed estate agent; or
 - (b) a salesperson's licence – the holder may only perform estate agency work as a salesperson of a licensed estate agent.
- 1.2 The requirements for the grant of an estate agent's licence (individual) and a salesperson's licence are specified in the Estate Agents Ordinance (Cap. 511) and Estate Agents (Licensing) Regulation. Essentially, an applicant must:
- have completed a Form 5 educational level or its equivalent;
 - have attained the age of 18 years at the date of application;
 - have passed the relevant qualifying examination in the 12 months immediately prior to the application; and
 - be considered a fit and proper person to hold a licence.
- 1.3 In view of the launch of the first phase of the Mandatory Continuing Professional Development Scheme ("Phase 1 Mandatory Scheme") of the Estate Agents Authority ("EAA"), candidates who take and pass a qualifying examination after 1 January 2025 will be subject to the EAA's mandatory learning requirement upon the grant of a licence using the result of such qualifying examination unless such candidates are excluded from the Phase 1 Mandatory Scheme. Failure to comply with the mandatory learning requirement could affect a licensee's eligibility to renew a licence.
- 1.4 Please refer to the aforementioned legislation or browse the EAA website (www.eaa.org.hk) for details. If you have any question about licensing requirements and/or whether you will be included in the Phase 1 Mandatory Scheme, you may call the EAA Enquiry Hotline at 2111 2777.

2. Introduction to the Examinations

- 2.1 There are two different Qualifying Examinations:
- (a) the Estate Agents Qualifying Examination ("EAQE")
 - (b) the Salespersons Qualifying Examination ("SQE")
- 2.2 A candidate who passes the EAQE may apply for either an estate agent's licence (individual) or a salesperson's licence. A candidate who passes the SQE may apply for a salesperson's licence only. Candidates who successfully passed the relevant examinations must submit their licence applications within **12 months** of the date of issuance of the result slips; otherwise, results will be invalid for licensing purposes.

- 2.3 The EAA has appointed the Institute of Professional Education And Knowledge (“PEAK”) of the Vocational Training Council (“VTC”) to administer the Qualifying Examinations. All the Qualifying Examinations are available in paper-based format and will be conducted by the PEAK Examination Centre (“PEAK Exam Centre”) of the VTC. For details of the Salespersons Qualifying Examinations in computer-based format, please refer to the Handbook on the Computer-based Salespersons Qualifying Examination.
- 2.4 The examination dates and deadlines to register for the EAQE and the SQE may be found on the EAA website at www.eaa.org.hk.

PREPARATION

3. Syllabi

- 3.1 The examination syllabi are set out in Appendix 1 for the EAQE and Appendix 2 for the SQE of this Examination Handbook.
- 3.2 To familiarise yourself with the requirements and the types of questions of the EAQE and SQE, you may review the Sample Questions (in addition to those provided herein) for the qualifying examinations posted on the EAA website.

The EAA does not publish any study materials or organise any preparatory courses for the qualifying examinations. Some educational and training institutions, and some estate agencies, may offer various types of preparatory courses for the qualifying examinations. Anyone considering enrolling into these courses should note that the EAA does not give accreditation to any such courses nor to the providers of these courses. No representation whatsoever is therefore given by the EAA as to the quality of the courses or their providers, or as to whether the courses would enable a candidate to pass the relevant examination. Individuals should exercise due care when considering enrolling into these courses.

4. Format

- 4.1 Multiple-choice questions are used for both the EAQE and SQE. Candidates may choose to take the examination in either English or Chinese when they register for the examination.
- 4.2 Different versions of question papers containing questions of the same contents but in a different order will be used in each qualifying examination.
- 4.3 The differences in format between the EAQE and SQE are highlighted below:

	EAQE	SQE
Number of questions	50 questions: Part I : 30 stand-alone questions Part II : 20 questions based on one or two case studies	50 questions: Part I : 40 stand-alone questions Part II : 10 questions based on one or two case studies
Examination time	3 hours	2 hours 30 minutes

- 4.4 To pass an EAQE or SQE, candidates must pass both Part I and Part II. The pass mark is 60%¹.

Candidates of the EAQE must score at least 36 marks in Part I and 24 in Part II respectively in order to pass the EAQE; candidates of the SQE must score at least 48 marks in Part I and 12 in Part II respectively in order to pass the SQE.

If mark penalty is imposed upon a candidate who contravenes the examination regulation, mark(s) will be deducted from his/her total score in the examination. Hence, in order to pass the examination, such candidate must pass both Part I and Part II of the examination and also obtain a pass mark (i.e. 60%) in the overall result after deduction of mark(s).

- 4.5 Sample documents are appended for reference as follows:

For lease of immovable property in Hong Kong, stamp duty is calculated at rates which vary with the term of the lease as follows:

Term		Rates
Not defined or is uncertain		0.25% of the yearly or average yearly rent (see Note b)
Exceeds	Does not exceed	
	1 year	0.25% of the total rent payable over the term of the lease (see Note b)
1 year	3 years	0.5% of the yearly or average yearly rent (see Note b)
3 years		1% of the yearly or average yearly rent (see Note b)
Key money, construction fee etc. mentioned in the lease		4.25% of the consideration if rent is also payable under the lease. Otherwise, same duty as for a sale of immovable property

Note b: The yearly rent/average yearly rent/total rent has to be rounded-up to the nearest \$100.

Part II

CASE STUDY

Leasing of Property A

1. Teddy is the tenant of Flat A, 12th Floor, Fragrant Garden, 25 Sunflower Road, Hong Kong (“Property A”), and for years has been sharing it with his brother, Sales. The current 2-year tenancy agreement has a few more months to run. Sales graduated last month and now works as a salesperson for XYZ Estate Agency (“XYZ”) which is located very near Property A.
2. Teddy has just found a new job in Macau and so will soon move over there. Knowing that with no proof of stable income the landlord will probably be reluctant to transfer the tenancy to Sales, Teddy agrees to continue to deal with the landlord as if he were to remain the tenant, so long as Sales continues to pay the rent and also a small amount of “tea money” to Teddy for all the trouble every month.

Listing of Property A

3. One day in April 2010, Mr. Au Tsz Bun (“Au”) walked into XYZ and enquired with Sales the procedures for arranging the sale of his property with a sitting

tenant. Sales immediately realised that Au is his landlord when Au gave him the address of Property A. Sales however did not tell Au he lives there. Sales suggested that if Au appointed XYZ as an exclusive agent for 6 months, XYZ will advertise Property A on the front page of *Property Post*, a popular weekly property magazine, for the whole period.

4. Au asked if the exclusive agency can be for a shorter period, and Sales told him that it has been XYZ’s policy to require six months minimum for exclusive agency services. After some negotiation, Au agreed to appoint XYZ as exclusive agent for Property A for four months and as non-exclusive agent for the following two months. Sales started completing Form 1 and Form 3.
5. Au agreed to list Property A for \$3 million, which was recorded in Form 3. Sales phoned Banker Q who gave a verbal valuation of \$2.5 million only. Au said he would not sell Property A for anything less than \$2.8 million. XYZ’s computer record showed that in the past month two nearby comparable properties fetched \$2.45 million and \$2.5 million respectively, and Sales considered it a waste of valuable marketing resources to advertise Property A for \$3 million.
6. Sales believed that for the best interest of Au it would be vital marketing strategy to get prospective purchasers to enquire of and take a look at Property A, and so he decided to advertise Property A with a “try price” of \$2.4 million alongside a list price of \$3 million in *Property Post*. The day after Property A was advertised Sales received an offer of \$2.45 million from Client A. The following day Client B offered \$2.5 million, and at the same time Client C informed Sales that he might make a higher offer the next day after checking valuation, and requested Sales not to present Au with offers from any clients until Client C made an offer.

Ownership of Property A

7. Au told Sales that though Property A has been in the joint names of himself and his wife, he is in fact the sole beneficial owner

because all deposits and mortgage payments have been paid by him. Au also told Sales that his wife has agreed to sell Property A in exchange for him agreeing to a divorce; that she now lives somewhere in Mainland China and Au is doubtful if he can locate her to sign any documents to sell Property A.

C: Letter from Tai Dai Wai & Co.

8. As proof that all mortgage payments have been made by him, Au showed Sales his bank pass book and some recent mortgage repayment receipts. Au also produced a signed Declaration of Authority (**Annex A**) stating that Au would bear full responsibility for any problem that might arise from his wife, Chan Ngar Man (“Chan”) not signing the *estate agency agreement* and provisional agreement. Au assured Sales that the Declaration is a valid authorisation.
9. **Annex B** is a land search of Property A. Au told Sales there is no need to worry about the court order as his wife has no legal interest in Property A. Au showed Sales a letter from his solicitors to prove that he is the sole beneficial owner of Property A (**Annex C**).

List of Annexes:

- A: Declaration of Authority
- B: Land Search Record

DECLARATION OF AUTHORITY

To: (estate agent/purchaser) _____

I declare and confirm that I have obtained the authority of Chan Ngar Man (joint owner of Flat A, 12th Floor, Fragrant Garden, 25 Sunflower Road, Hong Kong) to sign any [estate agency/provisional sale and purchase] agreement in respect of the above property on her behalf.

I warrant that I shall perform the terms of the agreement so signed and shall indemnify you against all damages and costs for anything arising from my signing the agreement on her behalf.

Dear Sirs,

Re: F.C.M.C.No. 4604 of 2009

We are in receipt of your letter of 20 January 2010, the assertions therein are denied absolutely. We are instructed that your client, Chan Ngar Man, has agreed not to ask for any maintenance costs should our client, Mr. Au Tsz Bun, expedite the divorce proceedings, which condition our client has indeed complied with.

Though your client has been named a joint owner of the property at Flat A, 12th Floor, Fragrant Garden, 25 Sunflower Road, Hong Kong, we are instructed our client is its sole beneficial owner as the deposit for the property purchase and all monthly mortgage repayments are paid by our client (see copies of payment receipts enclosed). Your client is therefore holding her share of the property, if any (which is denied), in trust for our client only.

We hereby demand you to cause the registration of the Notice of Application for Ancillary Relief to be vacated within 14 days of this letter. All our client's rights are hereby reserved.

Yours faithfully,

Appendix 6

INSTRUCTIONS TO CANDIDATES (PAPER-BASED EXAMINATION)

WARNINGS:

1. **IMPERSONATION AT AN EXAMINATION MAY LEAD TO DISQUALIFICATION FROM THE EXAMINATION AND/OR PROSECUTION FOR CRIMINAL OFFENCE(S).**
2. **ANY CANDIDATE CONVICTED OF AN OFFENCE INVOLVING A DISHONEST OR FRAUDULENT ACT IN RELATION TO ANY QUALIFYING EXAMINATION ORGANISED BY THE ESTATE AGENTS AUTHORITY (“EAA”) WOULD BE DISQUALIFIED FROM THE RELEVANT EXAMINATION AND BE PROHIBITED FROM REGISTERING FOR ANY SUBSEQUENT QUALIFYING EXAMINATION FOR A PERIOD OF TWO YEARS FROM THE DATE OF THE CONVICTION.**

The following instructions must be carefully noted and observed in every detail.

A. Check your Admission Form before the Examination

1. Check carefully that the information printed on your Admission Form (i.e. name (English and Chinese), Hong Kong Identity Card number/Passport number, date and time of the examination and question language) corresponds with that in your Entry Form. If you discover a discrepancy, you must make a written request to the PEAK Examination Centre, Vocational Training Council (“PEAK Exam Centre”) for amendment at least 1 week before the examination.

Note: **Fees paid are not refundable or transferable** save in exceptional circumstances and subject to the approval of the EAA.

B. Instructions regarding Examination Venue Admission

1. You must take the examination at the examination venue specified on your Admission Form. Candidates who go to an examination venue other than the one stated on their Admission Form may not be allowed to take the examination. Even if you are admitted to take the examination, **3 marks will be deducted**. You may contact the PEAK Exam Centre to enquire about the location of the examination venue before the examination.
2. Arrive at the examination venue **15 minutes** before the examination time specified on your Admission Form.
3. Bring your original Admission Form and your original and valid Hong Kong Identity Card/Passport (“identification document”) to the examination venue. **The identification document must be the same as the one stated on your Entry Form**. The chief invigilator may refuse to admit a candidate who cannot show his/her Admission Form and his/her identification document. Even if you are admitted to take the examination and you can produce your original and valid identification document within the next working day after the examination, **5 marks will be deducted**. You will be **disqualified** if you fail to produce your original and valid identification document to verify your identity within the next working day after the examination. If you registered online, please print your Admission Form on blank A4-sized white paper and bring it to the examination.
4. Parking facilities will not be available at the examination venue.

5. Late Admission

- (a) If you arrive late but not more than 45 minutes after the designated start time of the examination as stated in the Admission Form, you will be admitted to the examination venue but no extra time will be given to you.
- (b) **You will not be admitted to the examination venue 45 minutes after the designated start time of the examination**, unless the chief invigilator determines otherwise.
- (c) Even if you are admitted to the examination venue 45 minutes after the designated start time of the examination, you will be **disqualified** from the examination and no mark for the examination will be given to you unless you satisfy the EAA that there are very exceptional circumstances justifying your lateness.

C. Instructions at the Examination Venue

1. You must occupy the seat assigned to you in accordance with *the seating plan displayed at the examination venue*.
2. You will be instructed to complete the required candidate information on the answer sheet. Invigilators will not complete the information for you.
3. You must not start to read and/or work on the question book before being instructed to do so. Otherwise, **3 marks will be deducted**.
4. **You may not leave the examination venue during the first 90 minutes or during the last 30 minutes of the examination**. Otherwise, you will be **disqualified**.
5. If you wish to leave the examination venue during the permitted time, you must tie up your question book **and** answer sheet and make sure that you have completed all the necessary details on your answer sheet and question book cover. Then, you should raise your hand to summon an invigilator to submit the examination materials. You may leave the examination venue with the approval of the invigilator.
6. No writing instruments will be provided at the examination venue. Please bring the following items for the examination:
⇒
 - H.B. pencils
 - a soft eraser
 - a pencil sharpener
7. Do not place any kind of bag on your desk.
8. You are not allowed to use any dictionary during the examination.
9. Handling of Personal Belongings/Unauthorised Articles

You must put all your personal belongings in a bag. The bag must be properly closed and small enough to be placed under the chair or in an area assigned by the chief invigilator/invigilators before the examination begins. However, the PEAK Exam Centre will not be responsible for safekeeping your belongings. If you bring a pencil box into the examination venue, you must place the contents on your desk and put the empty box under the chair. You will not be allowed to take out any articles from your bag during the examination. If you are found to possess any unauthorised articles including but not limited to books, dictionaries, notes, papers, electronic devices, etc. that are not placed according to examination rules during the examination, you may be **disqualified** from the examination. If you are found to possess any kind of electronic devices (e.g. calculators, mobile phones, Bluetooth headphones/headsets, camera devices/equipment, electronic dictionaries, smart watches with mobile applications installed or other electronic devices which can store and/or display texts, record and/or play audio and/or

video, etc.) that are not placed according to examination rules during the examination, even in the absence of any indication of cheating by you and regardless of whether any sound was emitted from it, (i) **3 marks will be deducted** if such electronic device is switched off; and (ii) **5 marks will be deducted** if such electronic device is switched on.

10. Switch off all mobile phones, Bluetooth headphones/headsets and other electronic devices, and ensure that no sound is emitted from these devices during the examination. Deactivate the alarm function before switching off your mobile phone and/or any electronic device.
11. Even if an electronic device is placed according to examination rules, should any sound be emitted from it during an examination, **2 marks will be deducted** for an initial breach and heavier sanction(s) will be imposed for further breaches.
12. You are not allowed to take photographs, audio-recording or video-recording inside the examination venue. Any photographs or recordings taken and their associated equipment would be taken away for further inspection and the photographs and/or recordings will be erased by the chief invigilator.

13. Environment of the Examination Venue

- (a) If there are any undesirable conditions at the examination venue, you should inform an invigilator of the same immediately. Since it is difficult to collect circumstantial evidence after the examination, no consideration will be given to candidates who do not report unsatisfactory conditions at the venue in writing.
- (b) In general, no consideration will be given to candidates' claims of performance being affected by any of the following factors:
 - (i) Normal background noise at examination venues – You should not expect complete silence at the examination venue as there may be normal background noise coming from outside vehicles, normal school activities, school bells, coughing and sniffing of neighbouring candidates, candidates entering and leaving the examination venue etc. during an examination.
 - (ii) Unsuitable room temperature – Examinations take place at various times throughout the year, and room temperatures of various examination venues may differ and the PEAK Exam Centre may not be able to adjust the examination venue temperature to suit each and every individual's requirements.
 - (iii) Change of seat – If the reported undesirable condition at the examination venue may be rectified or improved by a seat change, the chief invigilator may, upon your request, arrange a seat change if the need is genuine and a spare seat is available at the venue. In any case, no extra examination time will be given with regard to any change of seat.

14. Checking for electronic devices

You may be required to be scanned by electronic detection scanning devices (for example, hand-held metal detectors/wands) at such time and place, and in particular before/after going to the toilet, as may be decided by an invigilator. Failure to comply with such requirement will result in dismissal from the examination venue, and your examination fees will not be refunded.

15. Smoking or eating is not allowed at the examination venue. Candidates who smoke or eat during an examination may be **asked to leave the examination venue immediately**.
16. You are advised to bring a watch to time the examination as not all examination venues have a clock. Watches with functions/applications other than those of timekeeping are not permitted. The examination time is in accordance with the time announced by the chief invigilator.

D. Instructions during the Examination

1. Place your original identification document on the top right-hand corner of your desk to facilitate verification of your identity by the invigilator. The identification document presented must be consistent with the identification document stated in the Entry Form. Candidates must be clearly identifiable from their identification document. Where the invigilator is of the view that the photograph on the identification document does not resemble the candidate or has doubts about the validity or authenticity of the documentation, the candidate in question will be required to provide further information and assistance to the invigilator and/or chief invigilator for the verification of his/her identity. The PEAK Exam Centre and/or the EAA have the right to conduct an investigation against the candidate(s) involved and withhold releasing his/her score or cancel his/her score (if already released) pending completion of the investigation. Candidates should be cooperative. The EAA has the right to **disqualify** the candidate if he/she is not cooperative in the investigation. If you do not have your Admission Form during the examination, report to an invigilator immediately. Keep the Admission Form after the examination for record purposes.
2. Read carefully and carry out the instructions given on the question book and the multiple-choice answer sheet. Do not write your name on the question book or answer sheet.
3. When you receive your question book, check that you have been given the correct paper and language version of the question book. However, do not turn over the pages of the question book or start working until you are instructed to do so. You will only be provided with the question book in the language opted by you in the Entry Form. A Table of Stamp Duty Rates will be provided in the question book.
4. You should do rough work in your question book only. Do not write anything on the Admission Form. If you write anything on the materials other than the question book and answer sheet (such as writing on the Admission Form), it will be considered as copying or retaining information relating to the examination questions and/or answers.
5. Answer sheets will be marked by an optical mark reader. When filling in the boxes on the answer sheet, aim to fill in the box completely by a blunt HB pencil. Fill one box for each question. **No marks will be given** if two or more boxes are filled for the same question. Rub out completely any boxes you wish to change by using a good quality soft eraser and not the one on the end of your pencil. Answers written in the question book will **not be marked**.
6. If you need to go to the toilet, you must raise your hand first. Wait for the invigilator to escort you to the toilet. Your IN/OUT time will be recorded. No extra time will be given to make up for the time lost. If you take any unauthorised articles and/or examination materials out of the examination venue or bring any unauthorised articles back with you, you may be **disqualified**.
7. You should raise your hand to seek the invigilator's assistance if you encounter any problems during the examination.
8. If you have any queries about the contents of an examination question or you believe that there is an error in an examination question, you may at the end of the examination ask the invigilator to give you a "Candidate's Note". You may write your query down in the note and hand it to the invigilator before you leave the examination venue.
9. Keep quiet when leaving the examination venue early as other candidates may still be working on the examination.

E. Instructions at the end of the Examination

All question books and answer sheets will be collected by the invigilators after the end of the examination. No material distributed to you can be taken out of the examination venue at any time during or after the examination.

1. When the chief invigilator announces that the time is up, immediately stop working on your answer sheet and place your pencil/any stationeries down. Remain seated and silent while the invigilators are collecting your materials. Wait until the chief invigilator has checked and counted all the question books, answer sheets and other examination materials. When all the materials have been collected, the chief invigilator will announce your dismissal.
2. You must not continue to work on your answer sheet after being told to stop at the end of the examination. Otherwise, **3 marks will be deducted**.
3. The answer sheet and question book must be submitted at the end of the examination.
4. You may be **disqualified** if you do not follow the instructions given by the chief invigilator or an invigilator.
5. You may be asked to complete and sign on a “Candidate’s Note” for follow up by the PEAK Exam Centre and/or the EAA if you are suspected to have committed a breach of any of the instructions herein.

F. Breach of Examination Regulations

You are warned that any of the following acts may lead to prosecution and/or refusal of permission to sit or prohibition from registering for examination for a period reasonably determined by the EAA and/or disqualification from the examination and/or deduction of marks:

1. Obtaining knowledge of contents of question books prior to the examination.
2. Cheating or attempting to cheat or conducting yourself in such a manner which can reasonably be construed as cheating or attempting to cheat.

5. Copying or retaining any information relating to examination questions and/or answers.
6. Communicating or attempting to communicate in any form with persons inside or outside the examination venue during the examination.
7. Operating any mobile communication device at the examination venue. 8. Taking photographs, audio-recording or video-recording inside the examination venue.
9. Allowing any electronic device that is placed according to examination rules to emit sound during an examination.
10. Starting to read and/or work on the question book before being instructed to do so or continuing to work on your answer sheet including using an eraser or filling in information, etc. after being told to stop at the end of the examination.

11. Attempting to take away from the examination venue any examination stationery such as the question book and/or answer sheet, refusing to return the question book and/or answer sheet or taking examination questions out of the examination venue.
12. Removing or tearing off any sheets from the question book.
13. Impersonating or attempting to impersonate or permitting such act in the examination.
14. Committing a dishonest or fraudulent act in relation to the examination and obtaining a conviction of an offence involving such act, you will be **disqualified** and be **prohibited from registering** for any subsequent qualifying examination for a period of **two years** from the date of the conviction.
15. Doing anything which causes disturbance to other candidates or disruption to the examination.
16. Failing to follow the requirements under the “Instructions to Candidates” (and Supplemental Guidelines thereto, if any) or the instructions of the chief invigilator or an invigilator during the examination.
